

# Forklift driver\*

Together with us in Ellesmere Port

Reference number: 2021-475

## Your responsibilities

- As a forklift driver you will help to move corrugated board formats into the warehouse and load them onto trucks
- You will safeguard the production capability and smooth operation of our corrugator machines
- You will assist with maintenance, repairs and cleaning and help to rectify any faults
- You will comply with regulations on occupational safety and securing loads and promote these standards

## Your profile

- You have professional experience of working in a similar position
- You are a proficient forklift driver and have a valid driving licence
- You already have knowledge of how to secure loads
- A completed apprenticeship is an advantage
- You are willing to work shifts
